

CHEVAL BLANC RANDHELI PRIVATE ISLAND

CHEVAL BLANC RANDHELI PRIVATE ISLAND

The Cheval Blanc Randheli Private Island, accessible from a private berth and jetty, hosts a sprawling four-bedroom villa, the quintessence of exclusive privacy. An epitome of lush, modern island living, the Private Island grants exceptional private spaces, a dedicated team of Ambassadeurs and exclusive facilities including its own spa, oversized outdoor pool, pristine beaches and exotic gardens. It is the ultimate holiday experience for families and friends.

The main villa runs alongside a stunning 25-metre-long swimming pool and adjacent Jacuzzi. Three successive light-flooded living rooms invite guests to a musical interlude around the grand piano, blissful relaxation in the multiple sofas and lounges, or a festive break around the bar. In the private dining room, catered by the villa's dedicated chef and Majordomes, guests may enjoy the fresh catch of the day, abundant local delicacies as well as their favourite dishes.

On the ground floor, two spacious bedrooms – with either twin or queen-sized beds – are equipped with their own bathrooms, dressing rooms, outdoor showers and generous terraces, ideal for children or friends.

A statement staircase with a needle fish-inspired handrail, leads to the master floor which offers the resort's only panoramic birds-eye-views from the spacious terraces outfitted with stylish furniture. Fine crafts, bespoke furniture and unique artworks enhance the interior design throughout the master suite's living rooms, drawing room and spacious his and hers dressing rooms and bathrooms, adding to the suite's sense of place and exclusivity.

Outside, an array of terraces, tropical gardens and private beaches await guests for an unparalleled display of turquoise waters. Set amidst the gardens, the private spa offers exclusive treatments by Guerlain within a double treatment room or on its extensive outdoor stilted terraces, also idyllic for yoga and Pilates sessions with the Maison's yoga master.

Along a short pathway through the lush vegetation lies a separate Guest Villa, ideal for those seeking extra privacy. This beautiful villa offers a breath-taking bedroom, large indoor and outdoor living areas including an outdoor dining pergola and a cinema for private screenings.

Enjoy your own dedicated boat to access the Maison's outlets and facilities located a few minutes from the shores of the Private Island. Savour diverse gastronomy with five signature restaurants and four bars, or relax on the Spa Island which hosts its own Beauty Studio and Barber Shop, or discover jungle fitness on Maakurandhoo Island offering a bootcamp area and two professional tennis courts.
