

## **WHERE THE HEART OF PARIS BEATS**

Under the Pont Neuf flows the Seine, living water irrigating the city,  
a majestic artery, calm or lively, as life itself, as Paris itself.

Born from the Seine, bathed by the Seine, reflected by the Seine,  
the Cheval Blanc Maison stands, immense and proud, like the figurehead of the Samaritaine.

Over the centuries, this former pump supplied water to the Louvre, Paris and its inhabitants.  
It rises again today to inspire the City of Light with a new, vibrant, brilliant energy.  
Cheval Blanc beats to the rhythm of Paris. Cheval Blanc embraces its emotions.  
Cheval Blanc captures its spirit.

A bustling place to live, an unmissable rendez-vous for Parisians,  
a haven of serenity where travellers and their families feel at home,  
Cheval Blanc holds the key to the heart of Paris.
