LE GRAND BLEU

Accompanied by an Ambassadeur, head to the most beautiful bays of the Caribbean on board a yacht, a sailing boat or a catamaran.

Let yourself be surprised by the special attentions punctuating the day, specially imagined by team of Ambassadeurs. After exploring the underwater sights of the island, drop anchor in front of the pristine beach of Petite Anse des Salines, while savouring a gourmet lunch.

At sunset, sip a last cocktail accompanied by delicious amuse-bouche facing the sublime white sandbank of Colombier.

Then sail back along the coastline before returning to your room to enjoy the tranquillity of the tropical gardens or a massage at the Cheval Blanc Spa to fall into a deep state of relaxation.

SAINT-BARTHÉLEMY ADVENTURE

Take a full day to explore the island by road, paths or sea!

For pedestrian explorers, a native guide of Saint-Barthélemy will take you early in the morning through the hidden paths of the island and will bring you to the most secret places to discover some spectacular views. After that, admire the island's inland landscapes on a two-hour quad tour accompanied by a guide.

Alternatively, if you have sea legs, experience the island on a 90-minute jet-ski excursion and discover some stunning scenery from the sea.

Once back at the Maison, enjoy a massage at the Cheval Blanc Spa to unwind after all the excitement and sensations of the day.
