A photograph of a bedroom interior, viewed through a doorway. The room features a large white bed with a white headboard and footboard. The bed is dressed in a white duvet and has four pillows: two with a blue and white geometric pattern and two with a blue and white pattern. Above the bed, two square framed artworks with red, black, and white patterns are displayed on a light-colored wall. The wall is decorated with a large, light-colored wooden headboard panel. On either side of the bed are white bedside tables with black metal legs. Each table holds a white lamp with a white shade and a small black object. In front of the bed are two square ottomans with a brown and black geometric pattern. The floor is covered with a light-colored wooden floor and a blue and white geometric patterned rug. To the right of the doorway, a large, round, black and white geometric patterned vase sits on the floor.

To the right, two wooden lounge chairs with dark cushions are positioned on a wooden deck. A large white patio umbrella stands behind them. A white railing with a wooden top rail and a decorative white lattice pattern separates the terrace from the ocean. The ocean is a vibrant blue, and a sandy beach is visible in the distance. In the background, there are green hills under a bright blue sky with scattered clouds.
