CHEVAL BLANC ST-BARTH ISLE DE FRANCE  
VILLA DE FRANCE

## VILLA DE FRANCE

---

The epitome of exquisite Caribbean living, the sprawling five-bedroom Villa de France enjoys a direct access to the Flamands Beach for a truly residential feet-in-the-sand experience. Its unparalleled ocean views over the sea hosts a breathtaking moment of beauty. Cleverly combining refined materials with original art pieces, French designer Jacques Grange conceived this Caribbean jewel for friends and families seeking a private and exclusive tropical experience.

The villa sprawls over 650 sqm (6997 sqft). It grants exceptional private spaces, its own spa treatment and fitness room and two infinity-edge pools. During guests' stay, a dedicated Majordome look after every detail.

The ground floor comprises a spacious cosy living room with floor-to-ceiling windows opening onto a private terrace facing stunning Caribbean sea views.

In the private dining room with a ten-seat round table, catered by the villa's dedicated Majordome, guests may enjoy the fresh catch of the day, abundant local delicacies as well as their favourite dishes.

Two spacious bedrooms with either king or twin-sized beds – are equipped with their own bathrooms with bathtub and rain shower and large separate dressing rooms. Sky-high ceilings, fine crafts, bespoke furniture, carefully curated pieces of art enhance the sense of place throughout all the villa's rooms including its master bedroom.

A staircase leads to the first floor which offers an exclusive panoramic ocean view from the spacious terrace outfitted with stylish furniture.

The master bedroom is a veritable cocoon of tranquility. The bedroom faces a dazzling panorama of the sparkling ocean, overlooked by a private terrace with its own plunge pool. The bathroom faces the same spectacular views. The generous bathtub and the rain shower as well as the independent dressing room invite to ultimate pampering.

The first floor boasts two additional bedrooms, similar to the ones on the ground floor, and a well-being sanctuary for ultimate indulgence and exclusive privacy. The private spa treatment and fitness room offers an in-villa experience of the Cheval Blanc Spa's signature treatments created with Guerlain and unveils state-of-the art Technogym equipment.
